"CANADA'S FIGHTING FORCES"

The Angus Theatre has by special arrangement with Gen. Sir Sam Hughes secured the official Canadian War Films entitled "Canada's Fighting Forces." In six reels, accompanied by Corp. Geo. A. White, D.C.M., who lectures during the pictures and tells the story of Ypres and St. Julien. These pictures, with a special added attraction in the way of another reel showing pictures of the Alberta boys at Sarcee Camp, and which was taken only last week, will be shown for one night only, Tuesday next, June 27th. If you have friends in camp or at the front, do not miss these pictures, as they are the only official Canadian government pictures, and are not to be confused with other so-called war films. There will be two shows, at 7.30 and 9.15. Special Prices, 5c and 5c.

RETURNED HERO TO SPEAK

WITH GOVERNMENT FILMS

"Canada's Fighting Forces" the official Canadian government six-reel film which will be at the Angus Theatre on June 27, is the greatest motion picture spectacle of all time—nothing that human mind can conceive from a dramatic standpoint can compare with this impressive demonstration of Canada's awakening as a nation—this great, vital exposition of her powers, her glorious army and her unswerving loyalty to Britain. Not merely "3000 horses and 15,000 men," but 20,000 horses and 60,000 men appear in a single scene. As H. M. the King reviews his Canadian army, and the soul-stirring intonation of the hymns, the explosion of bombs and shells only 120 feet from the camera, and a desperate charge through barbed wire entanglements and the eye witness story of the D.C.M., hero of St. Julien and Ypres, who was decorated for gallantry under fire, make the most exciting and fascinating film ever shown. Its authenticity is guaranteed by the government, it having been taken by a Canadian of the front, specially assigned to the duty. The Bluebird Photo-play Friday evening will feature Violet Meserian in "The Great Problem."

Mrs. John James came down from Edmonton a few days ago to renew acquaintances and incidentally attend to some business affairs. What was one of the largest sales of Alberta raised pure-bred stock was concluded this week when P. McQueen of Wetaskiwin, sold 30 head of registered Hereford cattle to Messrs. Barnes & Jones, of Regina, the purchase price being \$5,000.00. These cattle were all raised on Mr. McQueen's ranch, about 60 miles west of Edmonton, where he makes a specialty of registered live stock.

Word reached the city this week that all the Wetaskiwin boys except two enlisted with the 3rd Battalion were now in France, having been selected among a draft of 250 to go to the front as reinforcements.

Three more Wetaskiwin boys have donned the khaki and are preparing themselves to do their bit for the empire. They are Herbert Carlson, Herbert Chandler and Richard Thompson, who left on Saturday morning for Red Deer to train with the 18th.

Messrs. W. G. and Harold Angus arrived in the city on Thursday morning to bid farewell to their parents and friends prior to their leaving for the front. They have been transferred to the Mechanical Transport Corps, and leave tomorrow (Friday) for Toronto. We join them wishing these boys God speed and a safe return.

Helmer Mattson has enlisted with the 22nd Scandinavian Battalion, and has been given the rank of Sergeant. He will, however, remain in the district, or sometime to assist in the work of recruiting. His brother, Abner, who enlisted in Saskatchewan, is being transferred to the 22nd, and will be here in a few days.

The citizens of Wetaskiwin were given a rare treat on Monday last when the band of the 19th Highlanders' Battalion passed through the city for Hardy, where they were to play music for the celebration held there. Upon their arrival on the early morning train from Calgary and also just prior to their departure in the evening they played several selections which were greatly enjoyed.

The exhibit of art work in the Empress Theatre on Friday and Saturday last by the teachers and pupils of the public schools was greatly admired by the large crowd which availed itself of the opportunity of seeing and comparing the work of the pupils during the past year. The Wetaskiwin Band added to the attraction on Friday evening by playing several selections at the entrance to the building. As a result of the children of the kindergarten department \$23.00 was raised for the Belgian Relief Fund. The exhibit is to be sent to the Calgary and Edmonton exhibitions, and it is expected, as in former years, a goodly portion of the prizes will be awarded to the Wetaskiwin schools.

The police report for the month of May showed that sixteen persons had been arrested or summoned during the month, 43 cattle, 2 horses and 3 dogs had been impounded, and that the total monies turned over to the city were \$84.40. The report was read and ordered filed.

Miss Cordelia Miquelon was the bridesmaid, and Mr. Philip Miquelon, brother of the bride, acted as the best man. The affair was very quiet, and as soon as the ceremony was performed, the happy couple motored to Edmonton, where they took the train for Prince Rupert, where a brief honeymoon will be spent. Mr. and Mrs. McCallum will take up their abode in Edmonton.

The bride and groom are popular young people of the city and district, and their many friends join in wishing them a happy and prosperous journey through life.

No bull over 12 months and no stallion over eighteen months old is allowed to run at large, and anyone taking up one of these animals can collect the sum of five dollars, and fifty cents per day for keep.

Rev. Father Walravens was taken by surprise on Wednesday afternoon when the children of the Sacred Heart School presented him with a handsome writing desk, on the occasion of his birthday. After Father Walravens had thanked the children for their generous gift, an enjoyable social hour was spent by all, during which time the Reverend Father treated those present to fruit, ice cream, etc.

J. Ward Bailey is very busy these days. He proposes showing a carload of his Duroc Jersey hogs at all the leading fairs in the west this summer, and he does not secure a large slice of the prize money he will be greatly mistaken. He says there is a great demand for his hogs at the present time, as he disposed of twenty-one animals during the past ten days. His bees are also doing fine, and he shipped several hives of his surplus stock to different parts of the province on Monday.

Word has been received that Dr. Dixon is now in France, in charge of a field ambulance, in the midst of the roar of cannon and whirr of bullets. For some time before being sent to the front, the doctor had charge of a ward in one of the base hospitals. Details cannot be published, but we understand there is plenty to do in the medical line and the doctors are putting in long hours taking care of the sick and wounded. The Times is proud of the fact that one of Wetaskiwin's citizens is privileged to take a hand in this very necessary part of the war.

Washouts and slides in the mountains have knocked the C.P.R. service to the coast into a cocked hat, and the end is not yet. On account of a big slide near Field traffic was held up two trains from the coast being cancelled at Calgary. It was announced that the line would probably be cleared in 24 hours. Since then two other huge slides have been reported. One, near Golden, in the "Fighting Horse valley," is 15 feet deep. This one was about 400 feet track. A boat 11 p.m. Sunday word was telegraphed in that there was still another slide.

Will the U.S. go to War with Mexico?

Washington, June 20.—The issue war or peace with Mexico hung in the balance tonight, awaiting General Carranza's decision as to the course he will pursue. Officials here believed that 48 hours might bring a clear understanding of what the immediate future had in store.

A note, signed by Secretary of State Lansing, conveying President Wilson's rejection of the demand for withdrawal of the United States soldiers from Mexico, accompanied by a specific warning that an attack on the troops, "will lead to grievous consequences," was telegraphed to the verge of war by open hostility toward the United States and failure to even safeguard the lives of Americans in Mexico or on the border from the lawless elements among his countrymen.

El Paso, Texas, June 21.—A detachment of cavalry clashed with Carranza forces at Carrizal, about 100 miles south of El Paso, early today, both sides suffering heavy casualties, according to unofficial reports received by Mexican military authorities in Juarez tonight.

According to the report, which the Mexican authorities are investigating, forty Americans were killed by machine gun fire in a surprise attack. The Mexican casualties were a solid not to have been so heavy, but General Felix Gomez is named as being among the Mexican dead.

The American command is said to have been part of a patrol under Guzman. Later General Francisco Gonzalez, Mexican commander at Juarez, gave out a statement in which he announced officially that the Mexican command had taken 17 American prisoners.

SOME UNUSUALLY READABLE

BUSINESS LETTERS

Mr. W. T. Gregory, an American
citizen living at Leamington, Ont.,
publishes the following correspond-
ence with the Detroit News:

Office of the Evening News
Detroit, Mich.

March 28th, 1916.
Leamington, Ont.

My Dear Sir—We understand that
you have been purchasing a number
of full page "ads" in American news-
papers, to stimulate recruiting in
Canadian regiments. We feel con-
fident that you would get better re-
sults for the money expended in this
way by using the "Detroit News" than
by any other paper in the United States.

We state this not only on account of the proximity of our
sold to Canada but, the fact that
there are so many thousands of ex-
Canadians in Michigan and the fact
that the News has printed the stories
of Mr. Russell Gore regarding the
war and the participation of Cana-
dians in it to such an extent that
there is a general inclination on the
part of Detroit and the Michigan pub-
lic to look to this paper for the
most interesting news and "editorial
treatment" of war subjects.

A page "ad" in the News would
cost you \$345.24 daily and \$320.32 on
Sunday.

We beg to enclose our February
circulation statements and list of
towns showing our daily and Sun-
day circulation in each.

Hoping that you will think well
of this and favor us with an order.
We remain, Yours very truly,

COULD NOT SLEEP
Nerves Were So Bad.

To the thousands of people who are
tossing on sleepless beds night after night,
and to whose eyes sleep will not come,
Millburn's Heart and Nerve Pills offer
the blessing of sound, refreshing slumber,
because they restore the equilibrium of
the deranged nerve centres, thus restor-
ing strength and vitality to the whole
system.

Mr. Arthur McCutcheon, Mt. Pisgah,
N.B., writes: "I have been much trou-
bled with my nerves and could not sleep
for hours after I would go to bed. I
would toss and turn from one side to
the other before I could go to sleep. I
would wake up in the night, and lie awake
a long time before I would get to sleep
again. I thought I would try Millburn's
Heart and Nerve Pills, as they were
recommended so highly. I now get to
sleep quietly, and when I lie down I go
to sleep at once. My nerves feel better
and my sleep is sound and refreshing."

Millburn's Heart and Nerve Pills are
50 cents per box, 3 boxes for \$1.25; at all
druggists or mailed direct on receipt of
price by The T. Millburn Co., Limited,
Toronto, Ont.

compliance with your request I am
enclosing the proof sheet of an ad-
vertisement that I recently had pub-
lished in a large number of American
newspapers, notably the Haverhill, N. C.
News and Observer, owned by
Joseph Daniels, secretary of the navy
in President Wilson's cabinet, and a
which brought thousands of inquiries
from all over the United States.
I believe the News is published on
Fridays in two sections, and I will
pay you the sum named \$246.24, if
you will publish the enclosed ver-
sion of the advertisement on the front page
of the edition on Friday, provided
you will publish attached announce-
ment somewhere on your editorial page.

Yours very truly,
William T. Gregory,
Leamington, Ont.

My Dear Sir—I am soliciting you for
a page advertisement we had no idea
that the copy would be of the na-
ture submitted by you.

It would be quite "impossible" for
the Detroit News to publish material
of this character which would be of
offense to thousands of our readers
regardless of their sympathies with
respect to the various warring pow-
ers.

We note your other requirements in
regard to the publication of a new
story and the use of the front page
of the edition of Friday, but of course
there is no need of going into our
reasons for being able to furnish this
particular service unless you "would
see your way clear to furnish us ac-
ceptable copy."

Yours very truly,

The following is probably now in
the hands of the censors on its way
to the Evening News:

Leamington, Ont.,
April 16th, 1916.

Mr. W. H. Moore,
Foreign Advertising Manager,
Evening News Association,
Detroit, Mich.

My Dear Sir—Your communication
of the 12th in reply to mine of the
8th, has been received and read.

I note therefrom that it would be
quite impossible for the News to pub-
lish the copy of war advertisement
submitted by you and it is somewhat
interesting to me to note that your
refusal to publish the advertisement
business is based upon the supposi-
tion that the "revelations regarding
German atrocities" as set forth
would be very "offensive" to those
and of your readers regardless of
their sympathies with respect to the
various warring powers.

While I wish to deny the fact that
any portion of it would in any way
offend any friend of Great Britain
and her brave and illustrious allies
or any being whatever save race
nationality or creed who have any
sympathy for Poland, Armenia, Bel-
gium, Serbia or others who have
felt the iron heel of Prussian mili-
tarism.

Just here allow me to inquire just
what nature of copy you expect me
to furnish.

Did you think I would pay you
three hundred and forty-six dollars
and twenty-four cents in real money
to publish an untrue story of the Kaiser?
Did you contemplate that I would
send birthday greetings through the
"News" to the Crown Prince and a
page therefor at the rate of \$1.98 per
square inch?

Did you entertain with the slight-
est suspicion that while the tide
flow over the bulk of the Lusitania
and the houses of American flesh and
blood are whitening on the bed of
the ocean unavenged, unatoned a
not even discovered, that I would
fail to call attention to the people
to the fact that those of your citi-
zens who now go abroad must now
look to the guardianship of Great
Britain for their safety and the
"earthly" faded glory of the
Stars and Stripes or the weight of
a passport from Washington?

Did you expect me to extend con-
gratulations to Von Bisping regard-
ing the "brave and cultured" man-
ner in which he dragged forth in the
dead hours of the night the frail
form of Miss Edith Cavell and sent
a bullet crashing through her brain
before the American consular official
could secure a hearing for her, thereby
making the name of Germany the
most tragic word ever issued from
the mouths of men?

Did you expect me to say some-
thing nice about von Tirpitz, who
with his murderous, submarine fleet
spilled more baby blood than Herod
ever did?

Did you think that I would feel
kind toward Count Zeppelin, who
has caused plumes of fire by day and
by night to be dropped upon mat-
ernity hospitals, schools and humble
homes of innocent non-combatants
where no earthly military advantage
could be obtained?

You ought not to have expected
me to have failed to mention the
deadly torturing poisonous gases
used by the German army and out-
lawed by honorable nations.

How could you think that I would
put the "soft pedal" on regarding
these hellish atrocities out of con-
sideration for the "delicate feelings
of your 'Hun' readers who are to-
day trying to hamstring your own
president while he is trying to
maintain the German submarine fleet
as a typhoon?"

In your letter to me soliciting war
ads for the News, you set forth the fact
that I would get better results in
regard to the stimulation of recruit-

Dr. Price's
CREAM
BAKING POWDER
Made from cream of tartar
derived from grapes.
Best for good food and

NO ALUM

For the Canadian army in the
state of Michigan, with an "ad" in
the News, than in any other paper.

What sort of an advertisement did
you expect me to "write" that would
appeal to the candidate and in a
hundred of Michigan and at the same
time "be careful not to offend the
other representatives" by Kaiserism,
who for the paltry sum of two hun-
dred dollars hired an assassin to
cross the Detroit river and attempt
to murder 300 innocent girls? Pea-
body overall factory, to blow up
the Windsor Armouries and possibly
send thousands of other non-combat-
ants to the grave?

Did you really think that I would
pay you \$346.24 to print a page of
"strictly nationalistic" in order not
to offend those of whom your president
says:

"These have poured the poison of
disloyalty into the very arteries of
our national life, have sought to
bring the authority and good name
of our government into contempt, to
destroy our industries wherever they
thought it effective for their vilen-
dous purposes to strike at them and
to debate our politics to the use of
foreign intrigue."

"Such creatures of passion, disloy-
alty and anarchy must be crushed
out."

I must confess that I was surprised
when you solicited an advertisement
from me on the "News" had already
carried a story concerning the scene
raised in Washington by reason of
Secretary Daniels publishing in his
paper the full page ad in question,
although I harbored a slight doubt
that possibly the News had de-
cided to abandon its untenable po-
sition of "neutrality" and to come
out on the side of right, justice
and humanity and would hire
afterward (at the rate of \$346.24
per page) for all the great prizes
for which Washington stood and
for which Lincoln agonized and for
which every Canadian soldier is fight-
ing today.

But, alas, that delusion has gone
glittering as the midnight dew be-
fore the morning sun and I now re-
gret that "Ephraim is joined to his
idols" and I think I shall let him
alone.

In closing, allow me also to say
that the objectionable ad which you
Mr. "H.S.S." marks "No" with a
big blue pencil was published on
February 29th in the News, one of
the most influential papers in America.
The New York Sun gave it front page
prominence (something that it does
not give the Detroit News, very of-
ten) and I am proud to say that it
has been read by more than fourteen
million American citizens of which
the writer is one.

While you may be neutral I am
not, and henceforth and forever the
name of Germany shall signify the
wreck of the Lusitania and the
murders of Aerostich.

If I owned or controlled a great
newspaper I would publish the
Morgan's report on German atrocities
"without money and without a
price" and I would do so until I
saw a righteous sentiment was cre-
ated that the name of German mili-
tarism would forever be synonymous
of the hate that has poisoned the
wells of South Africa; hate that has
hurled from the ink sky death and
destruction upon the unsuspecting
mothers and babies; hate that has
always strewn the path of the deep
seaways with the lurking mine; hate
that has drowned thousands from
stateless passenger ships.

Hate that has wrecked the noble
cathedrals that have stood for cen-
turies to inspire the hearts of men
with their lofty, brave, and noble
deeds; hate that has driven the
fumes of pitiless poison into the
trenches where living, breathing
men have gassed and died that they
might help to save their world from
the unspeakable pollution; hate that
has ravished the nursery and chop-
ped the hands from the baby and
the breasts from the violated mid-
wife.

Hate that has burned and pillaged
and robbed and reeked with defence-
less blood.

Yours truly,
William T. Gregory,

There is something wrong with the
young man who is eligible and has
the "distinction" for the "deck, who
does not enlist after reading the
casualties among his brothers in France.

constituency, has three sons defend-
ing the empire. The first went with
the Princess Patricia's Light Infantry

the 187th.

CROP CONDITIONS BACKWARD IN
EASTERN CANADA

Ottawa, June 20.—A press bulletin
issued today by the Census and
Statistics office gives the usual pre-
liminary estimate of the areas sown
to grain crops in Canada and the
condition of these crops as reported
by the correspondents on May 31.
The reports show that the spring
was late, and that heavy
rains throughout the Dominion have
in many places made it difficult to
work the land, in eastern Canada
seeding at the end of May was con-
siderably behindhand, especially as
compared with last year, and in cer-
tain parts of the west the sowing of
oats and barley had not been com-
pleted.

According to the preliminary es-
timates of correspondents, made in
many instances before the completion
of seeding, wheat in Canada this year
will occupy a total area of 11,491,000
acres. This is 1,491,800 acres or
11.5 per cent below the high record
of last year, but 11.6 above the area
of 1914. In Manitoba the area sown
to wheat for 1916 is placed at 1,644,000
acres, as compared with 3,142,000
acres last year. In Saskatchewan
it is 5,889,100 acres, as against
6,888,100 acres, and in Alberta 1,477,700
acres as against 1,563,700 in 1915.

Measured in percentage of 1905 as
representing a full crop, the condi-
tion of the principal field crops in
May 31 was as follows: Fall wheat, 60;
oats, 90; barley, 89; rye, 91; peas, 90;
mixed grains, 89; hay and clover, 88
alfalfa, 94; pastures 97. Converting
this scale into one wherein 100 re-
presents the average condition at
May 31 of the past six years, 1915,
the condition of the principal
grain crops may be expressed as fol-
lows: Fall wheat 101; spring wheat
89; rye 100; oats, 97, and barley 97.

ANTIS WILL FIGHT TO KEEP
PROPERTY OF THE CHURCH

Winnipeg, June 17.—That the anti-
union minority in the Presbyter-
ian church of Canada will keep the
property of the church, and they will
make a fight for the exclusive pos-
session of this property, is indicated
by the words of Dr. Robert
Campbell leader of the "antis" be-
fore his departure for Montreal.

He points out that the Wee Free Press
in Scotland secured a decision in
their favor from the privy council
in the matter of property rights.
Discussing this phase of the matter
Dr. Leslie Clay, Victoria, B.C., one
of the signers of the petition, pointed
out that the Wee Free broke a
way from the union of churches yet
won the property fight.

"In this dispute," said Dr. Clay,
it is the majority that is breaking
away in order to unite with a church
that is not Presbyterian in charac-
ter, so that the minority in Canada
has, in my opinion, a stronger case
than even the Wee Free had."

FORMER WETASKIWIN CITIZEN IS SHOT

Saskatoon, June 18.--Frank Hamilton, aged 50, a well known rancher, met his death on Saturday night, at his ranch near the mouth of the North Saskatchewan river, as a result of shots fired from a revolver by Edward Burton, a neighbor, who is now in the hands of the R.N.W.M.P. at Onion Lake charged with murder. The trouble is alleged to have started over Burton having put some of Hamilton's cattle in the pound. High words between the men followed the discovery of the act and Hamilton in the end, drawing a revolver and firing point blank at Hamilton, who was hit in the head, mouth, chest and legs. He collapsed and according to alleged eyewitnesses, Burton continued to shoot at the fallen man until he had fired five shots. Hamilton only lived a few minutes. Burton, after securing medical assistance, surrendered himself to the police. Deceased is survived by four children. He was well known in the north, having owned and managed hotels in Wetaskiwin, Wainwright, Vermilion and Lloydminster. Deceased will be remembered by many of the old-timers in Wetaskiwin, he having built the present Orion Hotel, after the disastrous fire of some twelve years ago.

ALBERTA BAPTISTS

CONCLUDE SESSION

Calgary, June 16.--The feeling of the majority of the delegates to the Baptist convention, which is in session here this week, is that while the need of evangelism is so great and so inadequately provided for in the province, the Baptist denomination should co-operate with others in the work and place its members in those fields not already provided with service. There is strong opposition to this idea from a few of the members and laymen, though the majority of both are in favor of it. A discussion of the matter has been carried on from day to day, but was closed this morning, when a motion by Dr. McGill was submitted on its subject. The convention endorsed the principle of military registration.

The closing session today was taken up with the reports of the resolution and nomination committees, after which the nomination of officer was held, which resulted in the election of Rev. J. L. Tyler as president of the convention, and Rev. J. Austin Huntley as vice president. A resolution was passed providing that the vice-president be made president next year. A. W. Ward was elected secretary treasurer.

All the resolutions which have been brought up during the convention were passed, with several others in reference to the kindness to the delegates and the conveniences of the city. It has been agreed to the convention in Calgary, which helped to make it such a success, were also passed.

It will be of interest to all steam engineers and owners of steam outfits to note that John Douglas, provincial inspector of boilers, will move his headquarters from Red Deer to Camrose, taking up his residence at the latter place on July 1st.

DAMAGES CASE DISMISSED

At Edmonton on Wednesday of last week, Mr. Justice Walsh was occupied all day in hearing an action commenced against Julius Schroeder of Millet, and the official assignee of the Leland Hotel, Leduc, by the legal representative of John Blake, who died with tragic suddenness at Millet on November 17, last. The claim was on the ground that the deceased came to his death through heart failure induced by drinking to excess intoxicating liquor furnished to him in the Leland Hotel, Leduc, and the Arlington Hotel, Millet, on the day in question. The action was brought under Section 79 of the Liquor License ordinance and damages to the extent of one thousand dollars were claimed. After numerous witnesses had been heard for the defendants and the plaintiff, the judge held that the plaintiff had failed to prove that deceased had died by drinking intoxicating liquor to excess as claimed, and dismissed the action. Watt & Watt acted for the plaintiff, Alexander for Julius Schroeder, and D. P. McLeod for the official assignee.

Rev. F. W. Patterson of Edmonton has been invited to the First Baptist church, Winnipeg.

On June 19th the steamer City of Edmonton left that city with forty tons of lumber for Wabasca, seventy-five miles down the river, and the experiment of fresh-water logging, to do for the farmers down the river will be tried.

The department of the attorney-general has been advised that the counsel for George R. Buck, has taken habeas corpus proceedings to have extradition order granted at Wichita, Kansas, on Saturday, set aside and his client released. This will further delay the bringing of the president of the Diamond Oil Company back to the province, until the crown is determined that every effort shall be made to have him in Alberta for trial and Chief Provincial Detective Nicholson has been instructed by the department to this effect.

Mr. Francis McInnes, Woodbine, N.S., writes: "I deem it my duty to let you know the wonderful results I have received from the use of Doan's Kidney Pills. THE BASEBALLERS DEFENCE

Our local Muse again breaks forth, As he has done before, This time about our baseball team, Which is not to the fore.

He asks why our Wetaskiwin boys Have not put on the grey, Yet if he looked, he'd surely see, They're in khaki, all arrayed.

This year baseball they will not play To "frolics" stick and shout, They have signed to play a nobler game, And do their bit without.

And do their "bit" they surely will To drive the Germans back, Then when this cursed war is o'er, To Wetaskiwin they will track.

Then we will welcome them again, As we have done before, And though they bring no paltry cup, We'll cheer them all the more.

Some time again you'll surely see, The boys again in grey, When the war is o'er, and battles cease, And Peace has come to stay.

Then they will play with a right good will, The game they love to play, And will win again the shining belt From the SLACKERS of TODAY.

LIQUOR ACT COMES INTO FORCE

ON JULY 1ST.

"One quart of spirits and two gallons of malt liquor." Bear that in mind. The Liquor Act, which comes into effect on July 1st of this year, so states. It does not say in explicit terms of newspaper diction, but it says that if more than that amount is found in a private residence it is prima facie evidence that the householder is guilty of selling or keeping for sale. The penalty is \$50 fine and the removal of the rights of a householder from the inhabitant of the house so condemned. After a conviction the tenant of the house is no longer entitled to keep "sufficient for his own household wants."

It is rumored that many forward-looking citizens have been taking time by the forelock and laid by a store of cheerful cups. It is also reported or rumored that many have exceeded the regulation one quart and two gallons by a few gills.

The wing of the state carry other tidings. They state that the government officials, whose duties are along the lines of watching the traffic in liquor, are checking up the sales accounts of the wholesale liquor dealers and keeping a careful tabulation of such citizens as have been buying with more than usual energy. This, it is said, is being done to enable the authorities to have some line to come down on the illicit selling breaks out in the city or district.

Undoubtedly the authorities may not try to hang a ban on every citizen who has more than a quart of spirits or two gallons of beer in his cellar, but yet they act give them powers to proceed if they see fit.

Pensions will cost Canada \$21,000,000 for 300,000 men. This will be the annual charge to the country under the Government's new plan.

Edmonton will have its first woman police magistrate and Alberta will have taken another step in the path of social reform, leading every other province in the Dominion, when on July 1st Mrs. Arthur Murphy takes her seat on the bench as the specially selected official to adjudicate upon the cases of women and girls arising in this community. The appointment was made at a meeting of the executive council recently, and followed a request made some time ago by the Edmonton local council of women. Mrs. Murphy will also be the commissioner of the Juvenile Court.

The very worst storm in the history of the settlement swept over the Sedgewick district during the greater part of Saturday and Sunday. Beginning as a gentle rain Friday afternoon by Saturday noon it reached a terrific violence. All crops were flattened. Owing to the great cold and the immense amount of water that fell much damage is feared for the crops unless a period of warm weather follows. Haystacks and the small outbuildings were tumbled around but apart from no great harm was done except the setback to the crops which have been retarded a week at least.

GLYCERINE AND BARK PREVENT APPENDICITIS

The simple mixture of buckthorn bark, glycerine, etc., known as Adler's, astonishes Wetaskiwin people. Because Adler's acts on BOTH upper and lower bowel, ONE SPOONFUL relieves ALL CASES of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. THE INSTANT, easy action of Adler's is astonishing. T. F. Ball, druggist.

When a great man passes away the world pays tribute, when a great calamity occurs the world stands aghast and the newspapers leave out the colored supplements of red and gold when a man achieves a wonderful feat others try to equal it. When THE EVELY SALES CO. established a record in LOW PRICES and corral all the trade, the whole district pays tribute, other merchants stand aghast and some try to equal the feat.

TO THE CHRISTIAN PEOPLE OF WETASKIWIN

The time for the first service of our Annual Camp is very near. Perhaps an appeal to you as a Christian will stir you to more fully realize the grave responsibility that is resting upon us all as God's children.

The meeting is strictly interdenominational, so there is a part for every lover of the Lord. This association has secured the services of Thos. C. Henderson, of Columbia, I. C. for these few days from June 25 to July 2. Mr. Henderson is a man who knows God, a deeply spiritual man, and well qualified otherwise to preach the Gospel. He is able and sane as a leader, and strictly orthodox, is a member in good standing in one of the leading denominations of his country. However, it will be a time for not only the preacher but for every Christian to take part. Shall we as God's people for these few days join our faith and prayers for the salvation of the lost of Wetaskiwin?

The days are passing rapidly by, and souls are soon going out into eternity, and what will it mean not only to them, but to us if they go out unprepared through our unfaithfulness on our part. So we entreat you who know God, to get your prayers through to the throne to do your best, your very best, for God and souls during this meeting.

Yours for the Work,
Chas. A. Morris, secy.
